Re: Up to Two Months Free

Dear Mr. Terreni:

In accordance with provisions in the United Telephone Company of the Carolinas General Subscriber Services Tariff, Section U2.7, Special Promotions, this is to inform you of the Company's plan to conduct a promotional campaign from January 14, 2008 through May 12, 2008.

During the period, business customers may be eligible for a one-time or two-time waiver of monthly charges for Enhanced Frame Relay Service. To be eligible, customers who are contacted by the Company or contact the Company and request this promotion must subscribe to Enhanced Frame Relay Service and the Company's non-regulated Dedicated IP service offering under a three-year or five-year term commitment.

When a customer adds non-regulated Dedicated IP service to a new location under a three-year or greater term plan, the Company will waive the monthly recurring charges for the Frame Relay Access Line and Permanent Virtual Circuit (PVC) for the first month after the service installation. When a customer adds non-regulated Dedicated IP service and non-regulated Managed Network Service Services to a new location under a five-year term plan, the Company will waive the monthly recurring charges for the Frame Relay Access Line and the Permanent Virtual Circuit (PVC) for two months, with the waivers appearing on the customer's first invoice after installation and the last invoice issued under the term plan.
